RE: ICE Detainers

Dear Ms. Pasquarella,

Due to the recent federal court ruling, the Gardena Police Department does not detain individuals based solely on ICE detainers effective July 22, 2014. Our Department is currently in the process of revising our policy and procedure manual to include new case law.

Should you have any questions, please contact my office at (310) 217-9601.

Sincerely,

A handwritten signature in blue ink that reads "Edward Medrano".
